

Shropshire Astronomical Society

Little Ness Village Hall

Post code: SY4 2LG

Grid ref:

**Little Ness
Village Hall**

The Society has been meeting regularly at Ford Caravan Park monthly for a number of years. With the facilities being very basic it was deemed time to move on. The new venue at Little Ness provides better facilities as well as offering dark skies. We will meet regularly on the second Saturday of each month from September through to April the following year. Interested members of the public are invited to come and share the passion of members young and old. Do not forget to bring your telescope!

THE LAST MEETING OF THE SEASON WILL BE

Saturday 9th April 2019

At Little Ness Village Hall

8pm till late (free)

Full village hall facilities

Bring your own refreshments
